European Ultrasound Market

2008 European Frost & Sullivan Entrepreneurial Company Award

Award Recipient – SonoScape Co. Ltd

The 2008 Frost & Sullivan Award for Entrepreneurial Company in the European Ultrasound Markets is presented to SonoScape Co. Ltd. Ever since its launch in the European markets, the company has pioneered in developing SSI-1000, a sophisticated hand carried ultrasound system as well as other conventional cart based units for varied clinical applications at significantly low prices. This has ensured a double digit growth rate for the company in the European markets since 2004. With a strong focus on developing cost effective and ergonomically designed ultrasound technologies for the hospitals and private practitioners, the company has been able to attract significant brand loyalty amongst its clientele.
